BISQUE!

Introducing
22 fantastic new designs!

Perfectly formulated, perfectly smooth and perfectly designed ... your perfect surface awaits. Discover an enticing blend of quality, functionality and creative innovation with Duncan® Oh Four® Bisque.

From home décor to serving ware and kids' collectibles, every Duncan® Oh Four® Bisque design originates from meticulous research performed by our trendspotting and customer feedback teams – all with you in mind. Throughout these pages, you'll find functional, exciting new additions to the Duncan® bisque collections you already love.

And because we're committed to providing you with products of the highest caliber, our bisque is made with a pure earthenware clay formula and a consistent manufacturing process, which means no pressed ware and more stable results.

In fact, we're so confident in our bisque production that we've enacted a "No Shivering" policy: We guarantee that no shivering will occur on your pieces – regardless of the brand of glaze being used – or your money back.*

Make your experience memorable ... Pair your Duncan® Oh Four® Bisque with the complete line of Duncan® glazes and underglazes for exceptional, consistent results. Use this guide as inspiration or let your imagination take over for truly unique effects.

All of the projects in this brochure were decorated with brilliant Duncan® colors; see individual projects for details.
