Dear Wedding Guests

Please help create a wonderful keepsake for David and Lucy by signing our hand-painted wedding plate using the special pen provided.

Please try to keep messages away from the main design and be careful not to smudge other signatures.

Thank You.

Top Tips:

- Keep the pen stored flat, not upright.
- Be careful not to smudge other signatures.
- Write gently to begin with.
- Simply press down on the tip firmly, and "hold" until the paint begins to flow (pump gently to speed up the process). You may want to test this action off the plate to begin with.
- After use, replace the marker cap securely to prevent the pen from drying out.
